WANTED: SAL District Chairmen

We have been working to set up our districts; our first step is going to be appointing 12 SAL District Chairmen at the Detachment Convention in Green Bay. In an effort to empower the Squadrons, Counties and Districts, we want to get a representative for each district. This person will be the spokesman and primary contact for your district; this should provide better communication between the Squadrons and the Detachment. If you would like to be appointed please send a letter or email to Adjutant Lawler indicating your interest. Make sure you are a Delegate to the Convention in July!

PUFL Paid Up For Life Membership

A PUFL postcard survey was included in every issue of the SALute. So far a small percent of the 3000 members have returned the cards. If we are going to make this a reality we will need at least 50% of them back. Cards will be available at the DEC if you have lost yours. Let your voice be heard!

Americanism Coloring Contest Deadline April 15th.
