

Legion Bowling in Manitowoc

Remember that your dues must be paid and submitted to headquarters for you to Bowl in the Legion Tournament.

Membership

While we have been riding high on the charts, first place in the Central Region and 4 in the Nation, this is the time of the year that we seem to falter and fall by the wayside. Our final goal is 105% of your last year's membership, so even if you are at 100% you are not done yet. Wisconsin typically is tops in retention, make sure you are getting those members to renew again along with recruiting new members.

Membership is everyone's obligation, and there are rewards for the best recruiters; "I Got One" pins, National Recruiter pins, Blue Brigade jackets and more. See the National web site at www.sal.legion.org for the forms.

We seem to have forgotten the programs this year. How is your Squadron raising money for the Child Welfare Foundation? NEF? Wounded Soldiers Fund? Camp American Legion? Many Squadrons are having brat fries and other fundraisers or just asking each member to donate. Below is a break down of donations so far.

If your squadron has sent in donations directly to the programs, we do not have a record of it.

Make Checks payable to CWF, NEF, Wounded Soldier Fund or Camp American Legion and mail your donations to the Detachment Finance Officer Dennis Stockfisch N56W18346 Evergreen Ln. Menomonee Falls WI 53051-5540, so we can tally the Detachment totals.

Consolidated Report Forms

The Consolidated Report forms were sent to the Squadron Adjutants in February, and are due June 1st. These forms are an important tool for us to report our activities to The American Legion and Congress. We also use this data for our annual awards plaques and trophies. Make sure your activities get reported
