

## **Membership Rally Report**

THANK YOU, to everyone who dropped off your membership or sent it in with the Legion Riders. Wow what a fun and successful rally. Commander Hove passed out "I got one" pins and "No Goose Egg" awards as we meet new members and old friends. Vice Commanders Henderson and Severson along with 10<sup>th</sup> District SAL Chairman Adank, mingled with the members and guest.

The Auxiliary had a great tally system, and we had a map of where the membership location was pin pointed. We brought in 111, the Legion even more, but the Auxiliary did the best with over 1000 membership dropped off. Way to go ladies!

There were great door prizes each hour, and a Green Bay Packer Autographed football raffle.

We met some great prospects for new Squadrons, and will be working with them to get the Charter application completed.

The food was excellent, thanks to the Headquarter staff, no one left hungry.

Amazing things can happen when we work as The American Legion Family.
