

Regional and National Report: We are **NUMBER ONE** in the central region and now seventh in the nation. HOWEVER! We are **Under Fire**, each week we are challenged by Minnesota and Illinois, this ones from Minnesota "OK, you grunts and ground pounders from Minnesota...Listen Up.....Still getting some emails from the detachment of Wisconsin. Guys, we really need to burst their bubble and get ahead of them!!! 10th District Commander Tess Davis informed me that there were over 100 SAL memberships turned in at a rally yesterday..." That is 100 Members from one District, they are even signing up newborn sons and grandsons (YES we should too). We need to get our goose egg squadrons back on track, and all squadrons should be aiming for 75% and better. Together we can stay ahead of them.

Date of Birth Information: To best serve our members we need to know more about them. What is the average age of the Sons in Wisconsin? How many members are under 18? How many are over 65? We do not know as we have fewer than 45% of their dates of birth. So far we have been doing an average job collecting date of birth information. We really should have 75 percent DOBs on record, to launch our PUFL program, to plan our workshops and social events. **Please make sure your DOB is on file, you may use the DOB Information Form, available on the National Sons web site, or the Change of Address link on the National Legion web site or email [adjutant Lawler](mailto:adjutant@wilegion.org), include your Name, ID # and DOB**

Thank You for Your Donations: Donations have been coming in and many Squadrons are planning special events to raise money for the Commander Project and other SAL programs.
